# HARDWARE

*For all your cabinet needs.*

We partner with Blum to offer top quality undermount slides and hinges. Blum offers solutions for virtually any cabinet application.

We stock 28" and 32" Kidney-Shaped 2 Tier Lazy Susans by Rev-A-Shelf. All Rev-A-Shelf items can be ordered.

### QUADRO SLIDE

Full extension ball bearing drawer slide for frame or frameless cabinetry. Load capacity up to 75 lbs. Accessories include front fixing clip set and spacer (optional).

**SENSYS HINGE**  
Fast-assembly concealed hinge with integrated soft-close function.

### INNOTECH DRAWER SYSTEM

Steel profile system for variable drawer widths. Toolless assembly/disassembly and convenient front panel adjustment.

### INTERMAT HINGE

Concealed hinge, snap-on fast assembly, integrated door overlay and depth adjustment.

### FAQ SLIDE

For face frame and frame less application. Dynamic load capacity up to 75 lbs. Ball bearing slide with slide on assembly and tool free drawer height adjustment.

### SPACERS

### FRONT CLIPS

Hettich is a German-based, family-owned, global supplier of cabinet hardware technology, including precision under mount ball bearing slides, drawer systems, sliding door hardware and integrated soft closing hinges. The brand Hettich symbolizes a strong partnership with the kitchen cabinet, office furniture and White Goods industry while integrating our core Brand Values of quality, innovation, closeness to customers and reliability into everything we do.

Hettich America L.P. is the U.S. based manufacturing division that is responsible for producing the Grant residential and high end architectural sliding door systems, heavy duty slides for refrigeration/freezer units and the FAQ under mount ball bearing slides for wooden drawers. With our U.S. production facility based in Buford, GA, Hettich America is able to produce high quality products while ensuring timely delivery all over the world.

LOOSE FOIL & COLOR OPTIONS

## CM LAM

CM Lam offers an exact color match to doors, drawer fronts, and moldings, and is similar to traditional laminate. It is made by bonding a durable layer of phenolic backing to the same foil used on doors. CM Lam is easy to install and apply while providing a perfect match every time. CM Lam can ship with your thermofoil door and drawer front order.
