FAQ SLIDE

For face frame and frame less application. Dynamic load capacity up to 75 lbs. Ball bearing slide with slide on assembly and tool free drawer height adjustment.

SPACERS

FRONT CLIPS

Hettich is a German-based, family-owned, global supplier of cabinet hardware technology, including precision under mount ball bearing slides, drawer systems, sliding door hardware and integrated soft closing hinges. The brand Hettich symbolizes a strong partnership with the kitchen cabinet, office furniture and White Goods industry while integrating our core Brand Values of quality, innovation, closeness to customers and reliability into everything we do.

Hettich America L.P. is the U.S. based manufacturing division that is responsible for producing the Grant residential and high end architectural sliding door systems, heavy duty slides for refrigeration/freezer units and the FAQ under mount ball bearing slides for wooden drawers. With our U.S. production facility based in Buford, GA, Hettich America is able to produce high quality products while ensuring timely delivery all over the world.

CORBELS

Diverse Carvings. Decorative Accents.

Add elegance and beauty to any room. The **CMW** corbel collection is available in five different wood species and a wide array of sizes and styles. These architectural brackets are both decorative and functional as kitchen island supports, under cabinet accents, and shelf supports.
